

*The International Star Trek Fan
Association, Inc.*

STARFLEET: What is it?

- World's oldest and largest continuously-operating Star Trek fan organization
- Founded in 1974
- Over 4,500 members in 243 chapters globally
 - Chapters in Australia, Belgium, Canada, Iceland, Malta, New Zealand, Portugal, South Africa and the United Kingdom
- Non-profit corporation

Organizational structure

- Corporate structure is governed by a President, Board of Directors and Executive Committee
- Membership structure is based on the military organization in the Star Trek TV shows and movies
- Chapters are organized by geographical region and designated as Outposts, Starbases and Starships

Special Programs

- STARFLEET Academy (over 3,000 correspondence courses in subjects both inside of Star Trek and beyond)
- STARFLEET Marine Corps (for those who want a more structured military-like flavour to their Star Trek fandom)
- Department of Technical Information (resources for members interested in the technical aspects of Star Trek)
- Holodeck Programs (special support services and information in topics ranging from medical and health issues to science, charity services, spiritual outreach)

Service to the Community

- Raised over \$100,000 (estimated) for various charities in 2011
- Members also make donations of food, toys, books, personal necessities, as well as volunteering time and effort in local community projects:
 - Aluminum Drive in Utah turns cans into toys for children
 - Southern California chapter send care packages to troops in Mid East
 - Members in Virginia took part in the Clean Virginia Waterways International Coastal Cleanup event
 - Members in Denver, Colorado who are trained in emergency response serve as auxiliary EMTs
 - Chapter in Maryland participates in American Cancer Society "Relay for Life"
 - Ohio chapter enters float in parade to support area food bank
 - Chapter in Atlanta, Georgia donates time for Public Broadcasting pledge drive
 - Virginia chapter organizes educational Space Camp for kids

STARFLEET Achievements

- Participated in an Advisory Committee for Star Trek Online
- Supporting the Galileo Restoration Project
- Recognized by the Guinness Book of Records as the world's largest Star Trek fan club
- The first Star Trek fan club with a chapter in Cuba
